

Nassau Chapter Bulletin Contest for 2020– 2021

Communicating the service and programs of your council's membership (and Columbiettes or Ladies Auxiliary and Squires) through a monthly or bi-monthly bulleting is a great way to keep your council abreast of its happenings and goes a long way towards membership involvement and retention. We'd be happy to recognize your council's bulletin! Please consider adding us to your Bulletin's mailing list:

Here are the guidelines for this year's contest:

- 1) Newsletters must be written & edited by a council brother or their families.
- 2) Interested councils must submit a **Minimum of three (3) issues** between May 2020 and our deadline of April 2021. The more issues you publish and send to us, the better chance you have of scoring well. All entries need to be in the committees hands by the deadline.
- 3) Each Issue must list the Councils name and number as well as the Editors name.
- 4) While it is preferred that you send printed issues, since they are much easier to judge, we will accept bulletins issued via e-mail.
- 5) E-mail delivered bulleting issues must be a file attached to the e-mail and formatted as a bulletin. **Therefore, a collection of text e-mails will not qualify.**
- 6) There will be plaques for First, Second & Third place. We will also present certificates to every council that submits three (3) or more issues.
- 7) As recommended by the committee, we will grade newsletters on the following 100 points.
